

# MALAWI UNIVERSITY OF BUSINESS AND APPLIED SCIENCES (MUBAS)

## FACULTY OF ENGINEERING

### ELECTRICAL ENGINEERING DEPARTMENT CERTIFICATE IN ELECTRICAL INSTALLATION

The Malawi University of Business and Applied Sciences (formerly known as The Polytechnic), through the Department of Electrical Engineering, is pleased to invite applications for a **4 month** course to take place at the University through Open and Distant Learning (ODEL). At the end of the course candidates will be awarded a **Certificate in Electrical Installation (CEI)**. The programme will be done on-line except for practical sessions where candidates are required to come to the Campus in Blantyre. The course is non-residential and candidates will be required to make their own arrangements for meals and accommodation.

## COURSE DESCRIPTION

The Department has noted that there is a gap in the electrical installation industry. Most employers struggle to get skilled artisan who can do a professional job. Thus the department of Electrical Engineering has developed course to improve skills in the following areas.

- a. Health and safety
- b. Fundamentals of Electrical Engineering
- c. Domestic Installation
- d. Industrial installation

Students will undergo an internship program where they will further enhance their practical skills.

## ENTRY REQUIREMENTS

Applicants should have a MSCE with **AT LEAST PASSES** in English, Mathematics and physical Science or General Science, chemistry.

## TUITION FEES AND SCHOLARSHIPS

The total mandatory fees payable per student for the entire (non-residential) programme is MK250, 000.00. Scholarships will be made available to a few candidates that will meet the program set criteria.
